

Clean up day April 29, Buy a brick extended until May 6, Family Day June 3

Check out upcoming events on the rail trail

Click the image above to watch a one minute video describing events upcoming in 2017. See more details below.

Rail Trail clean up day Saturday April 29, 2017 from 9 to 11:30

Meet at one of our two locations shown on the map: 1) Intersection of Depot Street and Center Street in Townsend center (overflow parking in the town lot at the corner of Jeffs St. and Riverbank Terrace), or 2) Parking area east of Shepherds on Route 119 (the Shepherd family has graciously allowed overflow parking in the parking lot at Cherry Hill Ice Cream Too).

We recommend wearing gloves, long pants and long sleeves, and bug repellent for tick protection. Squannacook Greenways will supply trash bags at each location, courtesy of the Townsend Board of Health's Earth Day clean-up. Look for a truck with the Squannacook Greenways logo. When you fill the bags with trash, bring them back to the starting location and we will haul them away. Thanks to the Town of Townsend for their support.

Buy a brick fundraiser extended until May 6th

Be a part of the Squannacook River Rail Trail forever! Final order will be placed one week later.

[Buy a brick by mail](#) (mail by May 6th) or [Buy a brick on-line](#)

Rail Trail Family Day Saturday June 3, 2017

Squannacook Greenways is pleased to announce our first annual family day on the rail trail on Saturday June 3, 2017 from 10 am to 2 pm. Meet at the Depot Street entrance in Townsend center. Kids activities will be set up along the rail trail from there up to Harbor Church. Rain date will be Sunday, June 4th.

Stay tuned for more details.
